**Subject:** RE: NIRB 08MN053: Revised Guidelines for Baffinland Iron Mines Corp's Preparation of the DEIS for the Mary River Project

Leslie,

Transport Canada has reviewed the Draft guidelines and we have no further comments at this time. Thanks for the opportunity to comment.

TC will also be attending the September 29-30, 2009 Guidelines workshop for the Baffinland project, in Iqaluit. I will be the TC representative at the upcoming discussion, however Doug Soloway (Superintendent, Environmental Assessment Management Program) has not yet confirmed his attendance.

Sincerely,

Christopher Aguirre

**Subject:** NIRB 08MN053: Revised Guidelines for Baffinland Iron Mines Corp's Preparation of the DEIS for the Mary River Project

Dear Parties,

Please see the attached cover letter (in English and Inuktitut) and *Revised Draft* Environmental Impact Statement Guidelines for the Nunavut Impact Review Board's (NIRB) Part 5 Review of Baffinland Iron Mines Corp.'s Mary River Project (NIRB File No. 08MN053).

The NIRB asks that interested parties please forward their comments regarding:

- The *Revised Draft* EIS Guidelines;
- Hardcopies required of the future *Draft* EIS submission; and,
- Planned attendance at the guideline development workshop, key issues for discussion, and requirement for interpretation.

All comments should be submitted directly to the NIRB at [info@nirb.ca](mailto:info@nirb.ca) or via fax at (867) 983-2594, on or before Monday September 21, 2009.

If you have any questions or require clarification regarding the attached, please don't hesitate to contact Li Wan, Technical Advisor, at (867) 983-4606 or via email at [liwan@nirb.ca](mailto:liwan@nirb.ca).

Best regards,

Leslie Payette
