04-Sep-2020

Dear Parties,

The Nunavut Impact Review Board (the NIRB) has completed the reorganization of the Mary River file (NIRB File No. 08MN053) and all documentation associated with the file are now separated into the following application numbers:

- The Original Mary River Project – [www.nirb.ca/project/123910](http://www.nirb.ca/project/123910)
- The Early Revenue Phase – [www.nirb.ca/project/124700](http://www.nirb.ca/project/124700)
- The Phase 2 Development proposal – [www.nirb.ca/project/124701](http://www.nirb.ca/project/124701)
- Production Increase Proposal – [www.nirb.ca/project/124702](http://www.nirb.ca/project/124702)
- Extension Request to the Production Increase Proposal – [www.nirb.ca/project/124703](http://www.nirb.ca/project/124703)

For the information of parties, materials related to the NIRB's current monitoring year will be filed under the application numbers associated with the approved Project Certificates through this period: Production Increase (NIRB Application No. 124702) & Extension Request to the Production Increase (NIRB Application No. 124703). Information related to the Phase 2 Development project proposal are now located in NIRB Application No. 124701.

If you have any questions or require assistance in locating documents, please contact the NIRB's Environmental Administrators at [info@nirb.ca](mailto:info@nirb.ca) or toll free at 1-866-233-3033.

Best regards,

Cassel Kapolak  
Environmental Administrator
