**Re: Agency Outstanding Information Requests – Updated Baffinland Responses, Agency Engagement Notes and Next Steps**

Dear Mr. Barry,

On April 15<sup>th</sup>, 2011, Baffinland submitted to the Nunavut Impact Review Board (NIRB) responses to agency Information Requests (IR's). Since this time, Baffinland has been in contact with or met directly with agencies to listen to comments and understand what outstanding concerns agencies still have. Additionally, as part of this engagement, Baffinland has attended several meetings and working sessions with various agencies to address, prioritize and move forward on information requests. The attached document stands as a record of agency comments to Baffinland's IR responses, key meeting dates, discussion points and required action or next steps.

Baffinland remains committed to working with agencies to provide information where necessary to facilitate agency review of the Draft Environmental Impact Statement.

Please don't hesitate to contact the undersigned with any questions.

Yours truly,

**Erik Madsen**

Vice-President Sustainable Development, Health, Safety & Environment
