Dear Mr. Barry:

Re: Follow-up from Recent Meetings between Baffinland and QIA with Various Agencies

Please find attached the meeting notes from 3 full day sessions we held July 12, 13 and 14, 2011 in Iqaluit. The sessions focused on Caribou and vegetation; Marine Mammals; and Socio-economic.

Where the meeting outcomes addressed outstanding IRs, we have submitted on August 3, 2011 the IR spreadsheets that document the path forward for specific IRs. These meeting reports offer additional information on the issues raised through discussion at these meetings and any resulting action items. This report was prepared in conjunction with QIA and then shared broadly with all participants for comment.

If you have any further questions, please feel free to contact the undersigned.

Yours truly,

Erik Madsen
