Re: Baffinland Response to Commitments made at Technical Meetings for the Early Revenue Phase

Dear Amanda Hanson,

This correspondence is to address three commitments made at the technical meetings held by the Nunavut Impact Review Board (NIRB) held on November 26-28 2013. I am providing three separate documents named according to the commitment number contained in your transmission of November 29 2013 (Commitment 16, 20, and 21). Baffinland will be providing further correspondence on other commitments in the specified timeframes.

Please let me know if you have any questions regarding this transmission. I look forward to working with you and the NIRB in the New Year.

Sincerely,
