Nunavut Impact Review Board

Technical Meeting Response - Baffinland Iron Mines Corp.'s Mary River Project Early Revenue Phase proposal

Commitment Number 14 - On-Site Training Initiatives

Staff training varies according to the individual staff person's roles and responsibilities. The following training is presently available on-site for Baffinland staff:

- Orientation
- Cultural Awareness
- Light Vehicle & Fuel
- Health & Safety
- Tote Road Safety
- First Aid Certification
- Heavy Equipment
 - E-Learning
 - Assessment/Certification

In addition to or included as part of the above, transferrable Certificate specific training is as follows:

- WHMIS
- First Aid (Regular)
- Fall Arrest
- Ice Auger
- Fire Extinguisher
- Power Mobile Equipment Operation (this will be machine specific, i.e. CAT 740 haul truck)
- Support Equipment (this will be machine specific, i.e. Skid Steer, Fork Lift, Fuel truck)
