Re: Baffinland Response to Final Written Submissions for the Proposed Early Revenue Phase

Dear Amanda,

Baffinland has enclosed written responses to the final written submissions provided to the Nunavut Impact Review Board by parties on or before January 13th, 2014. We hope these submissions are helpful to the Board. These matters will be further addressed by Baffinland during the hearings. We wish to note that in its written response, Baffinland has addressed the recommendations included in the final written submissions as well as detailed review comments provided by the parties where relevant.

Please let me know if you have any questions or require further information with respect to the enclosed submissions.

Sincerely,
