Transport Canada Undertaking
Hearing Date: January 28, 2014

Question: Does Transport Canada have studies and reports on Arctic shipping?

Response: In response to this undertaking, Transport Canada is providing the attached document, Canadian Arctic Shipping Assessment, Main Report June 2007. In addition, Transport Canada is attaching the link to the Arctic Marine Shipping Assessment Report 2009 where this document can be downloaded. <http://www.pame.is/amsa-2009-report>. The Arctic Marine Shipping Assessment Report 2009 is approximately 27MB in file size and consequently, Transport Canada is unable to email this large file size to NIRB.
