Re: Public Information Meetings Summary Report for the NIRB's Consideration of Baffinland's Mary River Early Revenue Phase Proposal

Dear Parties:

From September 30 to October 7, 2013 the Nunavut Impact Review Board (NIRB or Board) staff members facilitated public information meetings in six communities of the North Baffin (Igloolik, Hall Beach, Pond Inlet, Arctic Bay, Resolute Bay and Clyde River) as part of the NIRB's reconsideration of the terms and conditions of the Mary River Project Certificate in light of Baffinland Iron Mines Corporation's (Baffinland) Early Revenue Phase proposal filed with the NIRB in January 2013.

The enclosed "*Public Information Meetings Summary Report for the NIRB's Consideration of Baffinland Iron Mines Corp.'s Mary River ERP Proposal*" (Summary Report) provides an overview of the comments and questions that were raised during the meetings in the communities visited. The Summary Report can also be accessed from the NIRB's online public registry at the following location:
