Hi Oliver,

I quickly wanted to follow-up with you regarding the anticipated timeline for the submission of the Addendum for Phase 2. We have started updating our process map for the assessment of Phase 2, and in order for us to coordinate with other parties, we require that you indicate when the Addendum is expected to be submitted to the NIRB (as we need to have something on the record to facilitate our process). Please feel free to let me know if you have any questions.

Thank you
