Dear Parties,

The Nunavut Impact Review Board (NIRB or Board) has tentatively scheduled the Technical Meeting for Baffinland Iron Mines Corporation's (Baffinland) "Phase 2 Development" project proposal (NIRB File No. 08MN053) in Iqaluit from March 12-15, 2019. The NIRB will be issuing a formal notice of the meetings shortly; however, the NIRB would like parties to be aware that it has block booked 30 rooms at the Frobisher Hotel. These rooms are available on a first come, first served basis. The NIRB strongly encourages those parties planning to attend the Technical Meeting to reserve their accommodations with the Frobisher and notify the NIRB of their attendance as soon as possible.

Should you have any questions or require additional clarification regarding this matter, please contact Cory Barker, Technical Advisor I, at (867)-983-4607 or [cbarker@nirb.ca](mailto:cbarker@nirb.ca).
