Subject: Request for Extension - 2018 BIMC Annual Report

Good Afternoon Tara,

In considering the timeline of the review of the Mary River Phase 2 Proposal, and the current deadline for comments on the "2018 Annual Report for Baffinland Iron Mines Corporation's (Baffinland) Mary River Project", the Qikiqtani Inuit Association would like to request a four week extension to the current deadline of May 10th, 2019. This request would bring the deadline to June 7th, 2019. We are making this request in the interest of ensuring that a diligent and thorough review of the report can be made. QIA assures that if our review of the Annual Report is done prior to this date, it will be submitted to the NIRB immediately upon its completion. QIA hopes that NIRB and other parties will find this request reasonable.

Thank you,
-Jared
