Dear Acting Chairperson Kaluraq,

Request for Extension for Baffinland to Reply to Nunavut Tunngavik Incorporated (NTI) Motion to Adjourn of Nov. 6, 2019

Baffinland Iron Mines Corporation (Baffinland) is currently preparing its reply (Reply) to the submissions made by intervenors to the Nunavut Impact Review Board (NIRB) on the above-noted NTI Motion to Adjourn.

Baffinland would like to request a short extension to permit some time for Baffinland to informally discuss its thoughts with community representatives in advance of filing its Reply with the NIRB. Baffinland is currently scheduled to meet with community representatives during the week of Nov. 25th. For this reason, Baffinland requests that NIRB grant a one week extension to the deadline for Baffinland to file its Reply from Friday, Nov. 22nd to Friday, Nov. 29th.

Sincerely,

A handwritten signature in blue ink, appearing to read "Megan Lord-Hoyle".
