Re: Natural Resources Canada Comments regarding the proposed date of the preliminary technical review teleconference for the Baffinland Ltd.'s Mary River Project Type "A" Water Licence (Application)

Natural Resources Canada (NRCan) is responding to the Nunavut Water Board's September 25, 2012 above noted request, NRCan can confirm that our staff will be available on October 18, 2012 to participate in the preliminary technical review teleconference meeting for the Type "A" Water Licence application associated with the Baffinland Mary River Iron Ore mine project.

Should you have any questions regarding this response please contact the undersigned at (613) 943 0773 or via email at John.Clarke@nrcan.gc.ca.

Sincerely,
