Good afternoon,

As requested in your December 19, 2014 letter, please find attached our main technical presentation and our Inuktitut summary presentation for the Technical Meeting and Pre-Hearing Conference (TM/PHC) for the above application.

Interested persons were requested information regarding the agenda and names of participants at the TM/PHC. Please find our responses to your requests below.

Comments regarding the draft agenda:

- 1) AANDC notes that the date for the start of the meeting (at the top of the page) reads January 29, 2015 when it should read as January 28, 2015.
- 2) AANDC requests clarification regarding the community session. Is there a separate community session in the evening or will the two sessions occur simultaneously?

Name of prospective participants representing AANDC at the TM/PHC:

- 1) Andrea Morgan, A/Manager of Water Resources
- 2) Jean Allen, Water Management Specialist
- 3) Mart Lupp, SNC Lavalin Inc.
- 4) Karen Costello, Director, Resource Management (may join in)

Thank you,

Jean
