In its previous correspondence dated August 29, 2019, the Board directed the NWB staff to hold a Technical Meeting (TM) in Iqaluit the week of November 11, 2019. Therefore, the NWB advises the parties that Tuesday and Wednesday, **November 12 and 13, 2019** are now set as dates for the Technical Meeting, respectively, at the Nunavut Wildlife Management Board's conference room in Iqaluit, Nunavut.

In preparation for the TM, the Board has attached a copy of a draft Agenda and requests that interested parties provide relevant comments to the NWB's Licensing Department at licensing@nwb-oen.ca by 3:00 p.m. MT, Tuesday **October 29, 2019**. In addition to comments on the draft Agenda, interested parties are asked to also provide the following information along with their submissions:

- Confirm the attendance of their organization, group or individual;
- Provide the names of the individuals who will be participating on their behalf in the Technical Meeting; and
- Identify whether they wish to make a formal presentation of their submissions during the Technical Meeting.

Following receipt of this information the NWB will distribute a final version of the Agenda in advance of the TM, as well as the names of the participating organizations and/or persons who have confirmed their attendance.

Regards,

Kayla
