Good afternoon Richard, Baffinland would like to request an extension to the October 29, 2019 deadline to submit copies of presentation materials for the November 12-13 water licence amendment technical meetings. We are continuing to work with interveners to resolve items and identify those that will require further discussion at the technical meeting, and additional time will ensure our presentation materials reflect the most up to date resolution status. Baffinland is proposing a one-week extension to November 5, 2019.

Regards,

Steve Borcsok, P.Eng. | Approvals Manager

In its previous correspondence dated August 29, 2019, the Board directed the NWB staff to hold a Technical Meeting (TM) in Iqaluit the week of November 11, 2019. Therefore, the NWB advises the parties that Tuesday and Wednesday, **November 12 and 13, 2019** are now set as dates for the Technical Meeting, respectively, at the Nunavut Wildlife Management Board's conference room in Iqaluit, Nunavut.

In preparation for the TM, the Board has attached a copy of a draft Agenda and requests that interested parties provide relevant comments to the NWB's Licensing Department at licensing@nwb-oen.ca by 3:00 p.m. MT, Tuesday **October 29, 2019**. In addition to comments on the draft Agenda, interested parties are asked to also provide the following information along with their submissions:

- Confirm the attendance of their organization, group or individual;
- Provide the names of the individuals who will be participating on their behalf in the Technical Meeting; and
- Identify whether they wish to make a formal presentation of their submissions during the Technical Meeting.

Following receipt of this information the NWB will distribute a final version of the Agenda in advance of the TM, as well as the names of the participating organizations and/or persons who have confirmed their attendance.

Kayla
