Dear Mr. Dwyer,

Environment and Climate Change Canada would like to express a support for the request by the Qikiqtani Inuit Association for postponement of the Water Licence Amendment Technical Meeting for Baffinland Iron Mines Corporation scheduled for November 12 and 13, 2019 in Iqaluit.

If the Nunavut Water Board decides to proceed with the technical meeting, Environment and Climate Change Canada will be participating via teleconference.

If there are any questions or concerns regarding this matter, please contact me at (867 669 4724 or [georgina.williston@canada.ca](mailto:georgina.williston@canada.ca)).

Sincerely,

Georgina Williston

Head, Environmental Assessment North
