Subject: Next Steps in Processing of the Application for Amendment to Water Licence No: 2AM-MRY1325; Baffinland Iron Mines Corporation

Good afternoon:

Please see attached for the Application for Amendment to Water Licence No: 2AM-MRY1325; Baffinland Iron Mines Corporation.

Inuktitut and French translations to follow.

The Nunavut Water Board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site, you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
