Who We Are

Two circular portraits of men in safety gear at a rocky site. The man on the left is wearing an orange hard hat, glasses, and a yellow safety vest. The man on the right is wearing an orange hard hat, sunglasses, and a grey jacket with a yellow safety vest. Both are standing in front of a rocky, layered cliff face. The background of the entire slide is dark blue with faint white line art of a fish and a boat.

- Δፍታሪኩት ደረጃው ሲጠየቅ የሚገኝበትን አካል በተመለከተ መረጃ ማስጨበጥና ማረጋገጥ ለማድረግ የሚያስፈልጉትን ሰነዶች እንዲያቀርቡ ተጽዕኖ ሊሆን ይችላል።
- ለአካሉ የሚገኘውን ነፃነት ማረጋገጥና ለሚገኙት ችግሮች መፍትሄ ማግኘት ለማድረግ የሚያስፈልጉትን ሰነዶች እንዲያቀርቡ ተጽዕኖ ሊሆን ይችላል።
- DFO request the Surface Water and Aquatic Ecosystem Management Plan be supplemented to identify areas of sediment and erosion concerns along the Tote Road.
- Erosion and Sediment Control Awareness training is being developed by BIM for personnel involved in ESC activities.

An aerial photograph showing a wide, winding river with a light blue-green hue, possibly due to sediment or glacial meltwater. A straight, reddish-brown dirt road or pipeline runs parallel to the river, curving slightly in some sections. The surrounding landscape is a vast, flat expanse of dry, yellowish-brown earth with patches of green vegetation. In the background, there are low, rolling hills under a cloudy sky.

-
- A stylized illustration in shades of blue and white. It depicts a dark blue ship with a white railing on the left. In the water, there is a narwhal with a long tusk, a whale's head and back, and a fish jumping out of the water. The water is represented by white wavy lines and small white dashes.
