Technical Meeting and Pre-Hearing Conference (TM/PHC) Final Agenda

The Nunavut Water Board (NWB) requests that all parties have on hand the copies of the application and correspondence/submissions (either hard copy or electronic) for reference as required, as the NWB will likely only have a few hard copies available for viewing and for the public. All parties should also bring up to thirty (30) hard copies of their presentation materials for the public.

The NWB takes this opportunity to thank all who have participated in the renewal application process thus far and encourages their continued participation in the remaining stages of the process.

If any parties/persons have technical questions or require clarification with respect to the above information, please contact Abid Jan, Technical Advisor, by email at abid.jan@nwb-oen.ca. For procedural and administrative inquiries, please contact Robert Hunter, Licensing Administrator, by e-mail at licensing@nwb-oen.ca.

Sincerely,

Karén Kharatyan,
Director Technical Services
