Good morning,

Aboriginal Affairs and Northern Development Canada has no comments regarding the draft agenda proposed for the Mary River Project Amendment No.1 Application Public Hearing.

We would like to confirm our participation and four of us will be attending the hearing in Pond Inlet:

- Scott Burgess (Mary River Project Manager);
- Andrea Morgan (Senior Project Engineer);
- Sina Muscati (Legal Council);
- myself, Sarah Forté (Water Management Coordinator).

We would like to request a teleconference number so that Jean Allen (Water Management Specialist) might also participate in the hearing.

We will transmit our presentations at the end of the day today.

Regards,

Sarah Forté

Water Management Coordinator
