Good Afternoon,

Please see the attached submission from QIA regarding the extension of the comment period in respect of the Application for Amendment No. 1 to Water Licence 2AM-MRY1325, and the NWB decision for 2015 Security.

As an administrative request, I will be taking over for Stephen Williamson Bathory, so please include me (JFBuller@qia.ca) on all future correspondence and mailing lists pertaining to projects in the region.

Regards,

Justin Buller
