Good Afternoon Stephanie,

Related to the reasons for canceling our scheduled technical meeting earlier this week, QIA is requesting an extension until March 5 to submit our presentation slides. Due to recent developments with the Applicant we have had to make some significant changes, and now due to the signing of SINAA between QIA and the Govt of Canada, we are unable to get appropriate approvals at this time. We will aim to deliver the slides as soon as possible, but respectfully request an extension.

Thanks,

-jared
