Re: Recognition of Baffinland Iron Mines Corporation's Snow Management Plan (2AM-MRY1325)

Dear Mr Millard:

AANDC recognizes that Baffinland Iron Mines Corporation has submitted a Snow Management Plan as a preventative measure to address snow management on site. This was requested in the 2AM-MRY1325 August 2015 Water Licence Inspection Report, **Item 32**.

This plan addresses measures to mitigate potential impacts to water quality that can occur as snow stockpiles containing sediment and debris melt during spring freshet.

Sincerely,
