Good morning,

The Nunavut Water Board understands the workload capacity for interested parties providing comment on the 2017 Annual Reports for 2AM-DOH1323, 2AM-MEL1631 and 2AM-MRY1525, the comment submission deadline for those annual reports is now extended to September 14, 2018.

Please note the deadline for the NWB to request additional information for the preceding annual reports is November 1. The NWB would appreciate INAC comments asap more particularly if additional information/clarification is going to be submitted.

While the NWB concurs with extension, the NWB would appreciate if INAC review the 2AM-MEL1631 2017 updated Water Management Plan included within the Annual Report and provide comments along with the Groundwater Management Plan that is currently being reviewed by INAC as the updated Water Management Plan has been referred to within the Groundwater Management Plan.

Regards,

Richard
