APPENDIX D.1

Mine Site Photo Sheet

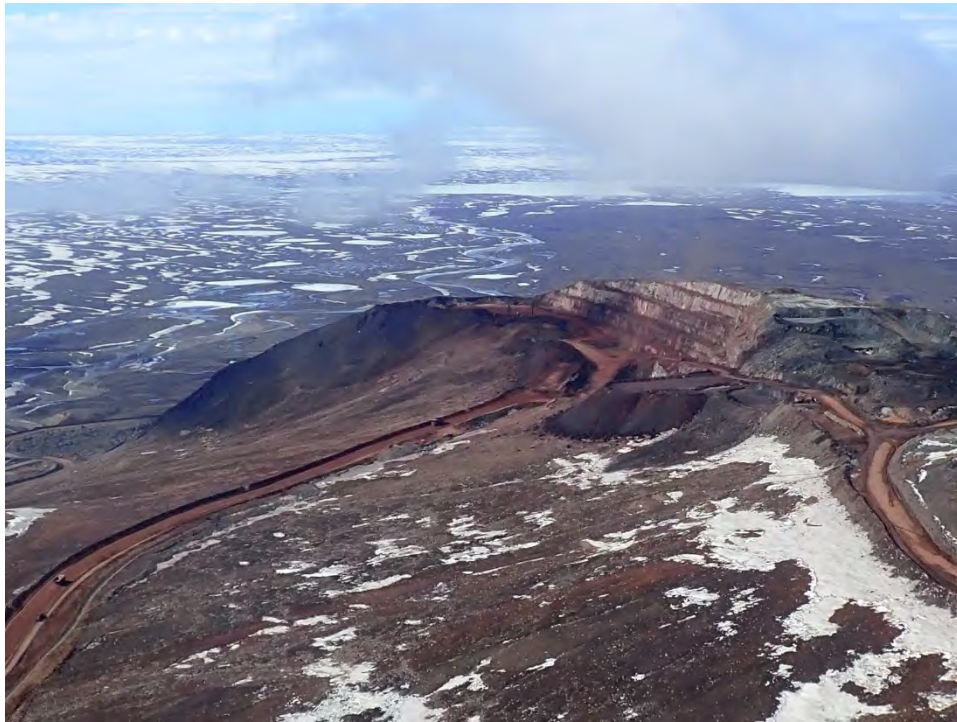

Photo 1 – Deposit No. 1 (Nuluujaak Pit) – June 2020

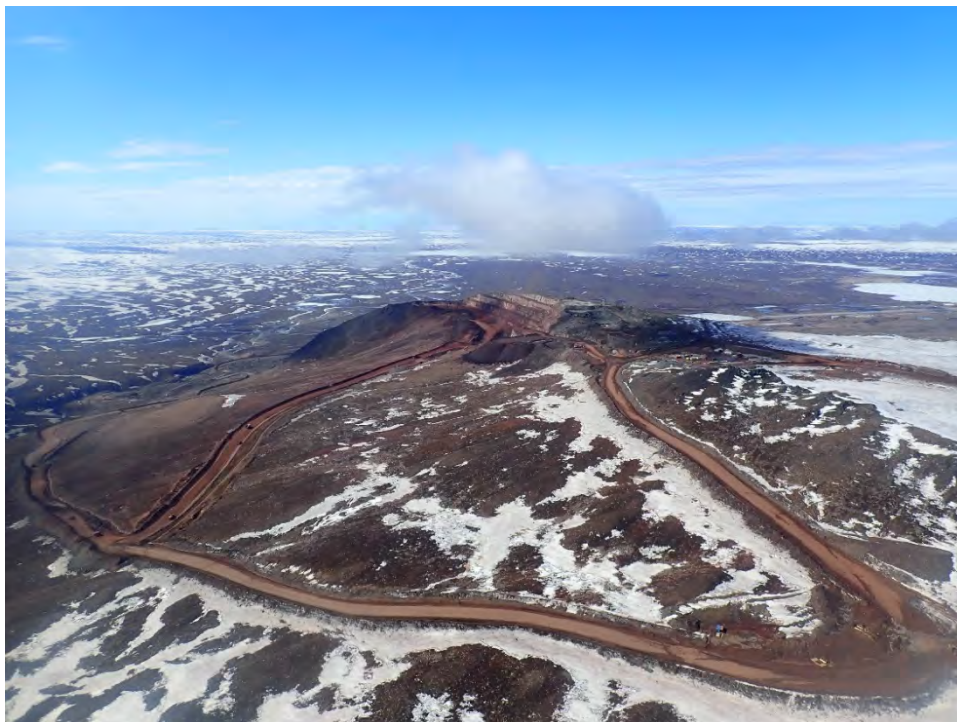

Photo 2 – Deposit No. 1 (Nuluujaak Pit) New Mine Haul Road (completed) – June 2020

Photo 3 – Deposit No. 1 (Nuluujaak Pit) New ROM at KM 106 (under construction) – September 2020

Photo 4 – Deposit No. 1 (Nuluujaak Pit) mining operations – September 2020

Photo 5 – Waste Rock Facility Water Treatment Plant – August 2020

Photo 6 – Waste Rock Facility – June 2020

Photo 7 – Waste Rock Facility Pond (MS-08) – June 2020

Photo 8 – New Pit Dewatering Line at Waste Rock Facility

Photo 9 – Crusher Facility – June 2020

Photo 10 – Crusher Facility Conveyor Shrouding – August 2020

Photo 11 – Crusher Facility Loading Ore Into Jaw – September 2020

Photo 12 – Crusher Facility – October 2020

Photo 13 – Crusher Facility Surface Water Management Pond (MS-06) - August 2020

Photo 14 – Heavy Duty Maintenance Shop – September 2020

Photo 15 – Maintenance Buildings – September 2020

Photo 16 – Mine Site Complex (MSC) – September 2020

Photo 17 – Tank Farms, MSC, Generators and Heavy Duty Shop – September 2020

Photo 18 – New Tank Farm After Pumping – September 2020

Photo 19 – Aerial view of Emulsion Plant – September 2020

Photo 20 – Aerial view of Mine Site Landfill – September 2020

Photo 21 – Landfill Fence – June 2020

Photo 22 – Sallivik Camp Complex – September 2020

Photo 23 – Aerial view of Quarry (QMR2) – August 2020

Photo 24 – Camp Lake Settling Ponds Maintenance – May 2020

Photo 25 – Mary River Airstrip – August 2020

Photo 26 – Weatherhaven Camp – September 2020

Photo 27 – Polishing Waste Stabilization Ponds – September 2020

Photo 28 – Site Road Dust Suppression at km 103 -- August 2020

Photo 29 – Site Dust Stop Application – July 2020

Photo 30 – Routine Water Quality and Flow Monitoring – August 2020

Photo 31 – Winter AEMP lake sampling program – April 2020

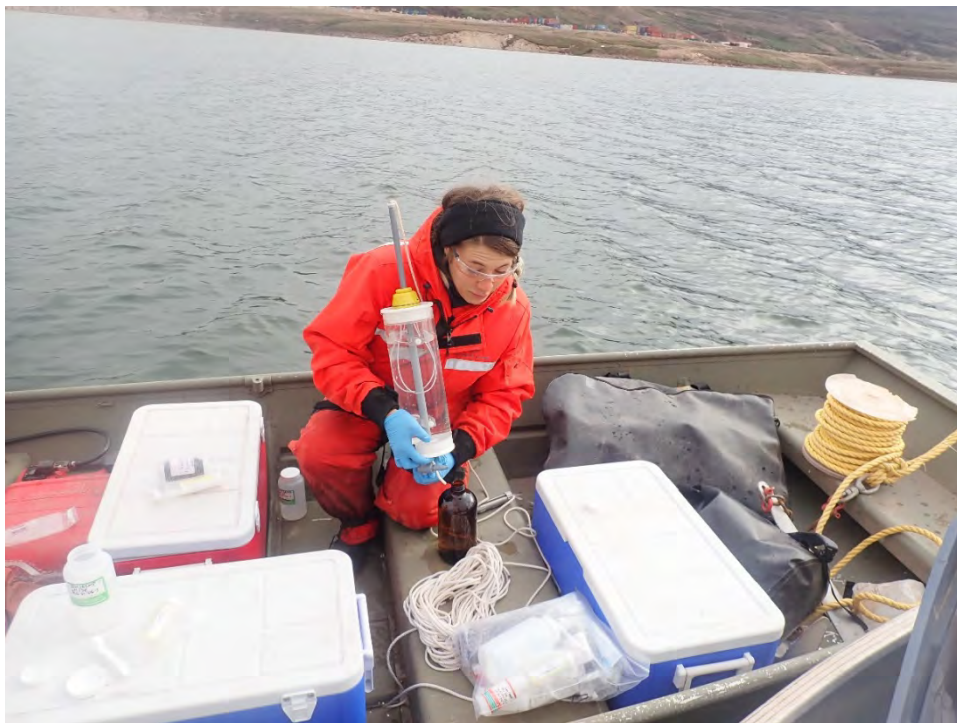

Photo 32– AEMP (Summer and Fall) lake sampling program – July 2020

Photo 33 – AEMP Sediment Sampling program – July 2020

Photo 34 – Hydrology Program – June 2020
