

APPENDIX C.1.3

As-Built Report

Mary River Warehouse Pad Expansion

As submitted to the QIA on May 31, 2024, in the Baffinland 2024 Work Plan Addendum, construction work was completed to expand the Warehouse Laydown Pad at the Mine Site. Details of the construction are in Table 2.1, and took place at the location identified below as Work Plan items 2024-6-A to 2024-6-C.

An As-built survey of the completed pad is presented as Figure C.1.3.
