Hello,

QIA has worked with Baffinland since the December 2, 2016 submission to better understand the differences between our two Parties' estimates. As a result of this please find attached an addendum to the QIA 2017 Security Estimate Report, which includes revised Direct, Indirect and Total costs.

QIA is able to speak to this additional filing, and any related questions during the upcoming teleconference call on December 9th.

Regards,

Stephen Williamson Bathory,

Director or Major Projects
