Good Day,

This email is being provided on behalf of Baffinland Iron Mines Corporation (Baffinland) to inform the Nunavut Water Board (NWB) that Baffinland has reviewed the relevant 2017 Annual Security Review (ASR) submissions received by the NWB from the Qikiqtani Inuit Association (QIA) and Indigenous and Northern Affairs Canada (INAC) and has not identified from either party any requests for additional response by Baffinland. Baffinland therefore submits no further response is required at this time and looks forward to discussing the respective submissions further with all interested parties on December 9, 2016.

Furthermore, Baffinland has reviewed the proposed draft agenda for the 2017 ASR teleconference on December 9, 2016 and has no additional comment on the proposed topics and timelines. Baffinland is willing to proceed with the agenda as proposed. Attendees on 2017 ASR teleconference from Baffinland are expected to be Wayne McPhee (Director of Sustainable Development, Baffinland), and Adam Grzegorzczuk (Approvals Manager, Baffinland).

If there are any further questions or concerns with any of the above, please don't hesitate to let me know.

Kind Regards,

Adam
