Hello Assol,

Baffinland does not have any significant objections to the revised timeline proposed, but notes the following correction required for consistency;

- Under the 'Event' column the following should be updated: *All involved parties file updates and/or addenda to the intervenor submissions (filed by November 30, 2018) and Licensee submissions (filed by December 7, 2018) based on the discussion and commitments at the teleconference.*

Thank you,

Christopher Murray | Environmental & Regulatory Compliance Manager
