Dear Assol Kubeisinova,

Thank you for the November 2 invitation to provide comments with respect to the ASR process and timelines proposed by the Nunavut Water Board (the Board).

Crown-Indigenous Relations and Northern Affairs Canada supports the Qikiqtani Inuit Association's request for extension on each of the milestones regarding the Licensee's 2019 Work Plan and any updates to the reclamation security estimates for the Mary River Project. This would give us more time to file the submissions because our consultant is also having difficulty meeting the original deadlines proposed by the Board.

Thank you,

Bridget Campbell
