Hello Richard,

Baffinland objects to the CIRNAC request for extension, as a two (2) week extension has already been granted by the NWB. Should the NWB proceed to adjust the timeline as requested, Baffinland would require an equivalent extension. However, the date for the teleconference (and remaining milestones) should be kept as-is, as efforts have been made by Baffinland and QIA to coordinate our participation on the 13<sup>th</sup> of December.

Regards,

Good afternoon,

CIRNAC has requested until Monday December 3, 2018, the NWB recognizes this gives CIRNAC 1 additional day, the NWB would like to know whether or not BIMC objects to this extension request and if BIMC would also require an extension for response to comments.

Regards,

Richard

Good morning,

Due to the requests from the Qikiqtani Inuit Association and Crown-Indigenous Relations and Northern Affairs Canada, the Nunavut Water Board adjusted the original timeline of the 2019 Annual Security Review (ASR) for the Mary River Project. Please find attached the table outlining the proposed schedule for the 2019 ASR activities.
