Hi Assol,

Due to ongoing discussions between Baffinland and QIA on the outcomes of the recent arbitration, and the need to incorporate those outcomes into the 2021 Work Plan, Baffinland is requesting an extension to the submission date for the 2021 Work Plan and associated reclamation security estimate. Baffinland is requesting a revised submission date of Nov. 6, 2020, which has been agreed to with QIA.

Please let me know if you have any questions or concerns regarding this request, and if the extension request is granted.

Thank you,

**Christopher Murray | Environmental & Regulatory Compliance Manager**
