Hello Assol,

Further to our discussion today, Baffinland is requesting an extension to the 2021 Annual Security Review deadline for responses to intervenor submissions. The response from Baffinland was to be due Monday January 11, 2021, and Baffinland is seeking extension until Wednesday January 13, 2021. We anticipate that this request will be of minimal impact to the overall ASR timeline, and request the remainder of the dates outlined by the Board are maintained.

Baffinland has discussed this extension with the QIA and CIRNAC, whom I will request reply to this email to confirm there are no significant concerns with the extension and maintaining the remaining dates as set.

Thank you,

**Christopher Murray | Environmental & Regulatory Compliance Manager**
