Hello Assol,

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) intends to attend, and does not intend to provide a presentation for, the Annual Security Review (ASR) Teleconference scheduled for January 21, 2021, for Baffinland Iron Mines Corporation (BIMC) Mary River Project, licence number 2AM-MRY1325.

CIRNAC has no concerns with the proposed agenda. Attendees are to include:

- Bridget Campbell, Water Resources Coordinator
- Godwin Okonkwo, Manager of Water Resources
- Adriana Lafleur, SNC-Lavalin Consultant Support

Attached please find CIRNAC supporting documentation for discussion during the teleconference. Attachments include:

- Rationale, methodology, and logic for the 2019 SNC-Lavalin Unit Rates, excerpt from SNC-Lavalin ASR Report, December 12, 2019.
- Revised Reconciled Global RECLAIM Model addressing BIMC comments about the Reclaim indirect costing by allocating the cost for the Phase 2 Modules to only IOL rather than by proportionality based on direct costs, January 18, 2021.

Kind regards,

Bridget Campbell
