Thank you, Lauren. The NWB understands the requirement of a known outcome of the discussions between Baffinalnd and the QIA for CIRNA.

Good morning Assol,

Thank you for the further clarity on the new timeline for 2AM-MRY1325 Annual Security Review. Pending the outcome of the discussions between QIA and Baffinland, CIRNAC is prepared to restart the ASR process but cannot do so until those parties complete their internal process. As much needs to be determined/discussed between those parties at this time CIRNAC has no set deadline.

Cheers,

Lauren
