Dear Robert,

Thank you for the opportunity to review Baffinland's response to comments on the Interim Closure and Reclamation Plan (ICRP) Rev 6 and the Waste Rock Facility (WRF) Thermal Model.

Environment and Climate Change Canada has reviewed Baffinland's responses to our comments for the ICRP V6 and Thermal Model according to our mandate and has no further comments at this time. We will look forward to seeing the Rev 7 of the ICRP once it is ready.

If you have any questions, please feel free to reach out.

Thank you,
