Dear parties,

The Nunavut Water Board (NWB) acknowledges receipt of joint letter by Baffinland Iron Mines Corporation (Baffinland) and the Qikiqtani Inuit Association (QIA), and submission from Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC).

While the NWB appreciates these submissions, the joint letter by Baffinland and QIA notes that they are discussing anticipated timelines and will advise on that aspect in the near term, in order to ensure alignment with NWB processes. As the letter did not indicate a timeline, can Baffinland and QIA provide a tentative date for their joint submission at the earliest so the NWB can formally extend the deadline.

The submission from CIRNAC and the joint letter by Baffinland and QIA are attached here for the parties' information.

Regards,

Robert Hunter
Licensing Administrator
