Hello,

Please see attached to this email the site-specific Quarry Management Plan for quarry Q18 on Crown land in proximity to the Tote Road.

This Quarry Management Plan is a requirement under the Amended Type A Water Licence 2AM-MRY1325 (Part D, Item 6) which states:

"The Licensee shall submit to the Board for review, an addendum to the Plan referred to in Part D, Item 6a for any quarry site selected for future development that the plan does not adequately address. If the content of the existing quarry plan referred to under Part D, Item 6a, does not adequately address the proposed activities for the management requirements of the selected Quarry site, the Licensee shall submit to the Board for approval, a site-specific Quarry management plan."

Thank you,
