Hello Assol,

Baffinland is requesting an extension to the timeline for response to comments. Due to the breadth of comments, Baffinland would like to take the opportunity to provide a thorough response to the technical issues raised. We are requesting an extension until March 13<sup>th</sup>, 2020. During this time we also intend to have teleconferences with the intervenors to better inform our responses and hopefully resolve any remaining concerns.

Should you have any questions or concerns please feel free to contact myself to discuss.

Thank you,

**Christopher Murray | Environmental & Regulatory Compliance Manager**
