Hello Assol,

Thanks for the opportunity to provide comments on the Waste Rock Management Plan. Crown-indigenous Relations and Northern Affairs Canada (CIRNAC) appreciates the response from Baffinland and their commitment to collect more data for updating their water balance model. CIRNAC is looking forward to a review of this model when it has been updated.

If you have any questions please communicate them with me.

Thanks and best regards,

Godwin Okonkwo  
Manager Water Resources
