Re: Issued for Construction Drawings (NWB Licence No. 2AM-MRY1325)

Dear Phyllis,

We are transmitting the following list of drawings for construction which have been recently completed by Dyno Nobel and signed/stamped by a Professional Engineer. Their engineer is undergoing the Nunavut registration and the drawings will be resent with the Nunavut stamped drawings, as required under Part D, Item 2 of the recently issued NWB Licence No. 2AM-MRY1325. These drawings are for the following area, with the list appended at the end of this letter:

- Mine Site – Emulsion Plant General Arrangements

Please do not hesitate to contact the undersigned should you have any questions, comments, or require any clarification.

Sincerely,

A handwritten signature in black ink, appearing to read "O. Curran".

Oliver Curran
Director, Sustainable Development
