Hello Assol,

On behalf of Baffinland Iron Mines Corporation (Baffinland), please find the below links to download the 2019 Inspection of the Milne Inlet Tote Road and Associated Borrow Sources, for the Mary River Project. This work was completed by Tetra Tech Canada to assess the integrity of the Tote Road and the condition of permafrost associated with the historical borrow sources.

Note that the report is available as a single (40 mb) file, or split into smaller file sizes for ease of downloading. Should you or any party on this submission experience difficulty in downloading the file(s), please contact myself for support.

Should you have any questions or concerns regarding the submission please let me know.

Thank you,

Christopher Murray | Environmental & Regulatory Compliance Manager
