Re: Construction Summary Reports for the Milne Port Landfarm, the Milne Port Ore Stockpile Ponds, and the Tote Road Bridges

To Phyllis,

As required under Part D, Item 19 of the NWB Licence No 2AM-MRY1324, we are transmitting the Construction Summary Reports for the Milne Port Landfarm, the Milne Port Ore Stockpile Ponds, and the four (4) bridges on the Tote Road, which have been signed/stamped by a Professional Engineer.

These Construction Summary Reports have been submitted within ninety (90) days of completion to meet requirements specified in Part D, item 18 of the Water Licence 2AM-MRY1325.

Please do not hesitate to contact the undersigned should you have any questions, comments, or require any clarification.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Madsen".

Erik Madsen
Vice President, Sustainable Development, Health, Safety and Environment
