Re: Issued for Construction Drawing for Milne Port Refueling Module – Earth Works (NWB Licence No. 2AM-MRY1325, Amendment No. 1)

Attention Manager of Licencing:

We are transmitting the following two drawings:

- Mary River Fuelling Facility Drawing – C01 Mary River Fuelling Facility (Milne Port) – Site Plan and Details. Stamped and signed June 22, 2016.
- Location Plan for above.

The drawing conforms to Part D, Item 2 of the NWB Licence No. 2AM-MRY1325, Amendment No. 1. Please do not hesitate to contact the undersigned should you have any questions, comments, or require any clarification.

Sincerely,

James Millard
Environmental Manager
