Good morning Lou,

The Nunavut Water Board received the attached document from the Crown-Indigenous and Northern Affairs Canada (CIRNAC). We would like to kindly request that Baffinland respond to the comments posed by CIRNAC on or before **June 28**, 2019.

It is noted that Baffinland suggested holding a teleconference to discuss this modification request, should the need arise. Please be advised that, if required, NWB can be available for the discussion (subject to scheduling).

Have a good day, Assol
