Hi Sylvia,

QIA has reviewed Baffinland's responses and has no remaining concerns. If approved, QIA will work with Baffinland to develop a framework that enables the QIA on-site Environmental Monitors to observe and report on construction activities.

Regards,

Chris

**Subject:** 2AM-MRY1325 Response to Comments on Modification No. 13 - Mine Site Water Management Plan

Good afternoon.

The Nunavut Water Board NWB requests QIA and CIRNA to confirm whether they are satisfied with the Licensee's responses by August 11.
