Hi Richard,

Yes we will. Ian is on holidays, and I am trying to sort things out. I am close to having everything together.

I wanted to write to touch base on all the extensions we had requested. This morning I sent the one for 2AM-MRY modification #5, so the only outstanding one, for which I have really missed the deadline is 2AM-DOH & 2AM-BOS, our comments on the reclamation estimate. I should be able to get to that one shortly.

On a related note, I would like to request an extension for 2AM-MRY modification #8. It is due today and we would like an extension until July 16.

Thanks,

Sarah
