Hi Ryan,

It will be appreciated, if Agnico Eagle could respond to this along with INAC comments by February 20th, 2018. For your information regarding the next step as we received the Minister decision on NIRB Hearing report: Once the Board gets your response hopefully on Tuesday the Board will probably give another opportunity to all Parties and Applicant for a final short review of all information received before closing the record of PH and going to decision making stage.

Regards,
